

In My Garden

A bee is travelling in your garden. Draw a bee line from each question to which plants in the garden that the bee should go to.

Draw a green line to each fruit or vegetable that is orange on the inside.

Draw a blue line to a fruit that is covered with seeds on the outside.

Draw an orange line to each fruit and vegetable that has seeds on the inside.

Draw a brown line to a vegetable that is really a fruit.

Draw a red line to any plants that are herbs.

Draw a black line to any vegetable that is a root.

Draw a yellow line to some good ingredients for making spaghetti sauce.

Draw a purple line to some plants with leaves that are good to eat.

Draw a beige line to a vegetable that pickles are made from.

Draw a maroon line to a vegetable that we eat that is a stem.

Draw a grey line to some good ingredients for making salsa.

Draw a pink line to the vegetables that grow on a vine.
