

Native bees like small carpenter bees use thimbleberry and salmonberry stems to nest in.

# Draw a Comic Strip

## Starring Your Favorite Bee of Oregon!

Thimbleberry

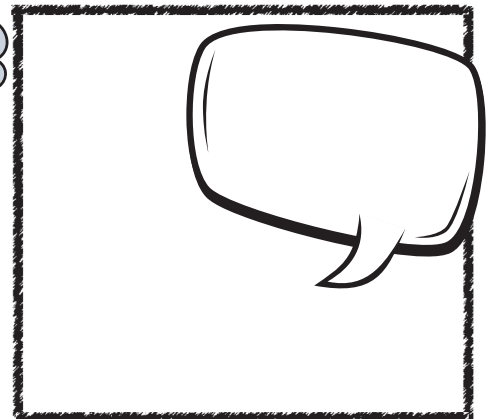

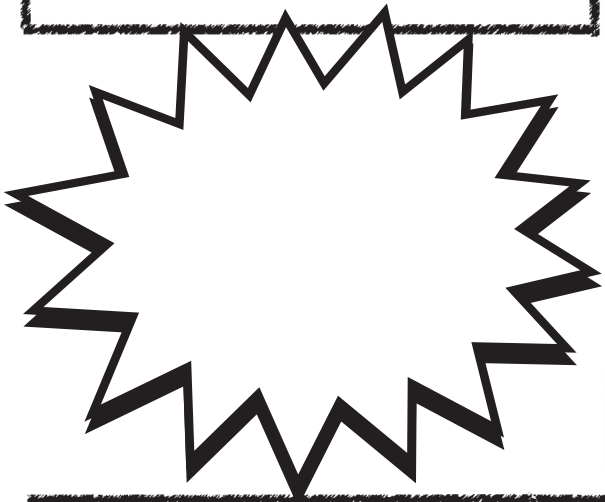

Thimbleberry blossom

Use the text from the book to support your answers. Include flowers your bee pollinates to make food. Add features on your bee that will help your bee thrive. Find someone to share your comic with!

The \_\_\_\_\_ bee has \_\_\_\_\_  
and \_\_\_\_\_ to help it survive.
