

Bee Watching Worksheet

Questions to ask while watching bees:

Sketch or write down what you observe as you sit outside near a flower patch, or look at the photos on this page for ideas!

How many types of bees do you see in this spot?

Do different bees prefer different types of flowers?

How do bees collect pollen?

How do bees drink nectar?

Honey bee on a Forget Me Not.

Sketch a bee pollinating a flower

A honey bee on a chicory flower.

A squash bee on a squash blossom.

Bumble bee on a Zinnia.
