

# Featured Farmer of the Week

**Who:** Lucy, Juan and their 5 kids Mariah, Buddy, Katalina, Jozef and Mayte and family

**What Farm:** Valadez Organic Farm

**Where:** Myrtle Creek, Oregon

**Where:** Umpqua Valley Farmers' Market, Canyonville Farmers' Market, Valadez Organic Farm Pickup/Delivery, wholesale through local grocery stores and suppliers, and a summer CSA program

**About the Farmers:** Valadez Farm began in 2015 in Myrtle Creek, Oregon. They are certified organic as well as GAP (good agricultural practice) certified, and grow a variety of crops including zucchini, tomatoes, berries, cherries, bok choy, lettuces, onions, spinach, cucumbers, lettuces, kale and more. Their CSA program runs throughout the summer, so check in for a spot! Valadez Farm is a family affair, with all 5 children helping out on the farm as well as extended family. They are at the market every weekend, year-round.

This material was funded in part by USDA's Supplemental Nutrition Assistance Program - SNAP. USDA is an equal opportunity provider and employer. Oregon State University, Oregon State University Extension Service is an Equal Opportunity Provider and Employer.
