

How to Add FoodHero.org to Your Smartphone Home Screen

www.FoodHero.org is not an app, but you can add Food Hero as a shortcut to your smartphone's home screen to quickly and easily access the website, just like you would using an app. The Food Hero website was created through "responsive web design" meaning it has been designed to be easy to navigate across a wide range of devices (from computers, to tablets, to mobile phones).

Why add FoodHero.org to your phone's home screen?

It's a great way to have your favorite recipes handy at the market!

Note there are 2 different sets of directions

- For iPhone
- For Android

Oregon State University
Extension Service
